

Walgreens Boots Alliance

Walgreens Boots Alliance, Inc.

Trade Association Memberships

For the Fiscal Year Ended 31 August 2017

Walgreens Boots Alliance is a member of a number of trade associations and other policy-based organizations representing the interests of the industries in which it operates and the broader business community. These organizations often engage in public policy advocacy that can impact Walgreens Boots Alliance's long-term interests and the communities it serves.

Below is a list of the trade associations¹ (including the amount of dues payments) in the United States of which Walgreens Boots Alliance was a member during its fiscal year ended 31 August 2017. Also provided below for each trade association that conducts lobbying activities is the percentage of dues utilized by that organization for lobbying (as reported by such trade association).

- Business Roundtable - \$300,000 (44%)
- Democratic Governors Association - \$75,000
- Healthcare Leadership Council - \$200,000 (45%)
- National Association of Chain Drug Stores (NACDS) - \$1,485,000 (40%)
- Republican Governors Association - \$100,000
- Retail Industry Leaders Association (RILA) - \$350,000 (65%)

¹ Includes trade associations or other policy-based organizations where the cost of the membership exceeds \$50,000 per calendar year
