

Walgreens Boots Alliance

Walgreens Boots Alliance, Inc.

Trade Association Memberships

Fiscal 2023

Walgreens Boots Alliance is a member of a number of trade associations and other policy-based organizations representing the interests of the industries in which it operates and the broader business community. These organizations often engage in public policy advocacy that can impact Walgreens Boots Alliance's long-term interests and the communities it serves.

Below is a list of the trade associations¹ in the United States of which Walgreens Boots Alliance was a member during its fiscal year ended August 31, 2023 (including the amount of annual dues payments paid during the same time period). For each trade association that conducts lobbying activities and for which annual dues were paid during fiscal 2023, also provided below is the percentage of dues utilized by that organization for lobbying (as reported by such trade association).

- Business Roundtable - \$350,000 (28%)
- Democratic Governors Association - \$100,000
- National Association of Chain Drug Stores (NACDS) - \$793,750 (35%)
- Republican Governors Association - \$100,000
- Retail Industry Leaders Association (RILA) - \$700,000 (65%)²

¹ Includes trade associations or other policy-based organizations where the cost of the membership exceeds \$50,000 per calendar year.

² Dues payment for Retail Industry Leaders Association (RILA) covers membership for both FY22 and FY23, each in the amount of \$350,000 with 65% attributable to lobbying.
